# HOSPITALITY PACKAGES

5<sup>TH</sup> - 7<sup>TH</sup> NOVEMBER 2021

# GET CLOSER TO THE ACTION

After a nearly two-decade absence from the FIA Formula 1 World Championship, Mexico City returned the race calendar in 2015 and once again at the fantastic Autódromo Hermanos Rodríguez circuit.

While the fabled Peraltada has been consigned to the history books, the circuit changes have provided a unique stadium complex offering superb views of the tighter corners of the circuit whilst also acting providing a stunning location for the Formula 1 Paddock Club.

The circuit, named after the late Ricardo and Pedro Rodríguez brothers, features 17 turns over 2.4km of race track. The start-finish straight is long and provides plenty of opportunities for passing into the tight right hander at turn one. Another straight runs to turn four and then a sequence of corners and the run to the unique stadium section.
