THE HEART OF THE ACTION

A prime spot in the **Trackside Zone**,
with direct views of the Nouvelle Chicane

A wide-angle, low-perspective shot from the deck of a modern cruise ship. The deck is made of light-colored wood planks and is flanked by stainless steel railings. The ship's superstructure is visible above, with a central vertical element. The ocean stretches to the horizon under a sunset sky with warm orange and yellow tones. Several other cruise ships are visible in the distance. The text "AMBIENT & EXPERIENCE" is overlaid in white, sans-serif font on the left side of the image.
